BIVVY LOO OD GREEN

CODE: CL-BIVVY OD

BRAND: CARPLIFE

CarpLife Bivvy Loo, the ultimate portable toilet designed to offer convenience and comfort during your outdoor adventures. With its unique features, this toilet sets a new standard for functionality and portability.

Featuring a comfortable oval seat, the Bivvy Loo ensures a pleasant experience even in remote locations. When not in use, it conveniently folds down to a mere 2 inches in height, making it incredibly compact for storage and transportation.

Constructed with a strong steel axis frame, the Bivvy Loo provides stability and can support over 150kg, ensuring durability and peace of mind. Despite its robust build, it weighs just 2.4kg, making it lightweight and easy to carry.

Setting up the Bivvy Loo is a breeze—it pops up and folds down in seconds, saving you time and effort. Its hygienic and clean design ensures a sanitary experience, while the zipped, weatherproof case with a carry handle keeps everything secure and protected during transport.

The removable, wipeable fabric adds to the convenience, allowing for easy cleaning and maintenance. Plus, with the included 40 biodegradable wipes, you have an added hygiene measure at your disposal.

For waste management, the Bivvy Loo includes 12 compostable and biodegradable liner bags. These bags are designed to be used within 9 months of purchase, providing an eco-friendly solution for waste disposal. Additionally, 12 sachets of waste managing powder are included to assist in odor control and waste decomposition.
