## T-SHIRTS AND POLO

### DEFCON 5 ADVANCED TACTICAL POLO SHORT SLEEVES WITH POCKETS

**CODE: D5-1726**

**BRAND: DEFCON 5 - 2026**

Short-sleeve tactical polo engineered for comfort, durability, and maximum freedom of movement in any operational environment. A fully equipped garment built for reliability and field efficiency.

#### **Operational mobility and comfort**

The short-sleeve design ensures full range of motion, ideal for dynamic activities and extended wear.

#### **Multi-purpose arm pockets**

Sleeve pockets with zip closure provide secure storage for essential gear. Soft velcro panels allow quick customization with patches or identification.

#### **Integrated organization**

Pen holder inserts offer immediate access to tools, enhancing operational efficiency.

#### **Reliable components**

Three YKK zippers ensure smooth operation, strength, and long-term durability under heavy use.

#### **Advanced breathability**

Underarm mesh ventilation improves airflow and moisture control, keeping the body dry during intense activity.

#### **Communication-ready design**

A dedicated radio attachment loop allows secure and practical device management, making it ideal for missions and tactical operations.

Versatile, rugged, and mission-ready, it's built to perform in demanding outdoor and operational scenarios.
