T-SHIRTS AND POLO

DEFCON 5 - TACTICAL T-SHIRT SHORT SLEEVES WITH VENTILATION SYSTEME ON THE BACK

CODE: D5-1740

BRAND: DEFCON 5 - 2026

The **SHORT-SLEEVE TACTICAL T-SHIRT** is a tactical short-sleeve T-shirt designed to combine **functionality, practicality and comfort** during active use. It integrates a range of features developed to meet the needs of the user, with a clean and functional design.

The pen pockets feature a **hook-and-loop panel with laser-cut slots**, allowing pens to be easily inserted and securely held in place while remaining quickly accessible when needed. **Concealed pockets** are integrated on both shoulders, providing additional storage space while maintaining a discreet and streamlined profile.

Comfort is further enhanced by **mesh inserts** positioned under the arms and across the entire back. This construction promotes airflow and heat dissipation, helping to maintain effective ventilation even during extended use.
