JACKETS

GUERRILLA JACKET WITH IR TREATMENT

CODE: D5-3144

BRAND: DEFCON 5 2024/2025

Designed in France by professionals, these new items are made of RIPSTOP POLYCOTTON 250gr/m² (65% cotton + 35% polyester) with IR treatment. This fabric is an ideal compromise between lightweight and durability.

Double opening with zipper on the pocket. Four pockets on the bottom of the jacket with Canadian buttons, back wallet pocket, dual direction zipper, two zippered inner pockets, two inner pockets with velcro closure; adjustable waist, detachable and rollable hood, adjustable cuffs with velcro, elbow and shoulders reinforcement patches. Velcro for patches, drainage holes in each pocket, YKK® zippers and Canadian button with velcro flaps. Ventilation net on the back, double zipper underarm for perspiration.

COLOR: FRENCH CAMO

SIZE: M , L
