TROUSERS AND SHORTS

DEFCON 5 GLADIO TACTICAL PANTS WITH PLASTIC KNEE PADS

CODE: D5-3227

BRAND: DEFCON 5 2024/2025

Ergonomically designed pants built to provide **comfort** and **protection** under high physical stress, ideal for tactical activities, outdoor adventures, and demanding work environments.

Key features:

- **10 pockets** for ample storage space, reinforced for attaching knives, multi-tools, and other gear
- **Reinforced crotch** with double-layer fabric for durability and comfort
- **Adjustable calf and ankle sections** with velcro for a custom fit
- **Padded waist** with **internal adjustable belt** featuring velcro attachment
- **Reinforced belt loops** for belts up to 5 cm
- **Anatomical, rigid knee pads** that are removable, ideal for **crouch aiming**, with **elastic straps** for height adjustment
- **Spacious thigh pocket** for easy access to essential items
- **Elastic fabric sections** at the coccyx and knees for added comfort and mobility during strenuous physical activities

Made from **60% cotton** and **40% polyester rip-stop**, offering durability and long-lasting protection against wear and tear.
