TROUSERS AND SHORTS

DEFCON 5 - PANTER JEANS

CODE: D5-3510 J

BRAND: DEFCON 5 - 2026

Tactical pants designed to combine comfort, practicality, and durability in operational and outdoor environments. Built to ensure efficiency and reliability in every phase of use.

Adaptive and stable fit

The rear elastic waistband provides a comfortable and dynamic fit, adapting to body movement while maintaining stability during high-intensity activities.

High-function pocket configuration

The pocket system is designed to maximize operational efficiency: two hook-and-loop pockets and two zippered pockets ensure secure and organized gear management.

Accessory-ready design

Reinforced pockets allow quick attachment of tools and accessories, ensuring immediate accessibility and reliability in demanding conditions.

Technical materials

60% cotton – 40% spandex

Reliable, durable, and mission-ready, these pants are built for consistent performance in any operational scenario.

SIZE: S , M , L , XL , XXL

WEIGHT (GR): 80
