TROUSERS AND SHORTS

DEFCON 5 PREDATOR PANT

CODE: D5-3634

BRAND: DEFCON 5 2024/2025

Tactical pant, 60% cotton and 40% polyester rip-stop, meet all the common needs required in the tactical area. The size is adjustable on the waist by means of an internal strap with Velcro fastening and the belt loops allow the use of tactical belts.

At the waist, at the front, two D-rings in resistant polymer are fixed, useful for fixing hooks.

The front pockets are reinforced with a layer of Cordura for anchoring clips (knife, tools, etc ...).

Low profile pocket phone and large pockets on the legs for the transport of personal items.

The width of the trousers, at the height of the ankles, is regulated by a strap, which allows a comfortable use of the product both with a gym shoe and with a boot.
