DEFCON 5 HAWK WIND JACKET

CODE: D5-3770

BRAND: DEFCON 5 2024/2025

Light windproof and water repellent jacket in 98% nylon and 2% spandex, maximum comfort and foldable on itself to be transported more comfortably through the MOLLE system.

The internal mesh ensures breathability and the axillary zip openings improve its functionality.

The hood is foldable and Velcro panels are sewn on both shoulders for fixing identification systems.

The main zip is protected, internally and externally, by a vertical flap of the same material as the jacket.

Elastic cuffs with Velcro closure and adjustable waist with zipper puller.

COLOR: OD GREEN , ITALIAN CAMO , BLACK
