#### Duffel Bag - Durable and Versatile

The Duffel Bag is crafted from highly durable PVC, making it the perfect companion for every adventure. With a classic tubular shape, it features a wide top opening for easy access. Inside, a practical mesh pocket under the flap and an external front pocket ensure optimal organization. Ideal for a variety of uses, it is highly appreciated by travelers for its ergonomic design and generous capacity.

Designed for maximum versatility, the Duffel Bag can be carried in multiple ways: as a duffel using the two side handles or the adjustable, padded shoulder strap; or as a backpack, thanks to the padded, adjustable, and removable straps hidden in a Velcro-closure pocket above the flap. The D-shaped opening allows for quick visibility of the contents, while the four compression straps help securely close the bag.
