TACTICAL ACCESSORIES

DEFCON 5 - 2 SIDES BACKPACK COVER 100LT

CODE: D5-BPC VI/WH

BRAND: DEFCON 5 - 2026

Reversible waterproof backpack cover

Reversible waterproof backpack cover designed to ensure protection, adaptability, and reliability in real operational environments where weather and terrain can change without warning.

High operational resistance

Made from 100% RipStop polyester, it offers excellent resistance to tears, abrasion, and continuous stress, effectively protecting gear even in heavy rain or snow.

Reversible camouflage system

The Italian camouflage side ensures optimal blending in woodland and Mediterranean environments, while the white side provides effective concealment in snowy or high-visibility conditions.

Compatibility and stability

Compatible with backpacks up to 100 liters, it installs quickly and remains stable even during movement.

Essential for operators who require protection, versatility, and full control in all conditions.

Weight: 240 grams

WEIGHT (KG): 0.24
