DEFCON 5 COMBAT FLEECE JACKET FULL ZIP WITH HOOD

CODE: D5-BR101

BRAND: DEFCON 5 2024/2025

The **Combat Comfort Dry Mesh Jacket** is designed to offer maximum comfort, warmth, and breathability during intense physical activities. Made from an ultra-soft and lightweight polar mesh fabric (210 g/m²), it provides excellent thermal insulation without compromising ventilation, keeping the body dry and comfortable even during prolonged use.

Main features:

- **Comfort Dry mesh fabric** - Soft, lightweight, and highly breathable, it provides warmth and optimal moisture management, ideal for extended physical activity.
- **Air-trapping technology** - The internal mesh structure captures air, creating an insulating layer that retains body heat while expelling sweat, keeping the skin dry.
- **Optimal breathability** - The innovative design promotes rapid sweat evaporation, ensuring constant comfort throughout the activity.

Material:

- 95% polyester
- 5% spandex

Ideal for high-intensity activities

This combat jacket is the perfect choice for athletes, outdoor enthusiasts, or anyone who needs a technical garment that provides the right balance of warmth, comfort, and breathability.
