GARMONT NEMESIS 4.2 GTX COYOTE

CODE: GR-002569

BRAND: GARMONT

The Nemesis 4.2 GTX® is the 4" low-cut version of the Nemesis line, designed for operators who prioritise mobility and lightness without sacrificing waterproof protection.

The GORE-TEX® Extended Comfort membrane keeps feet dry in rainy conditions and on wet ground.

a.d.d.® (Anatomically Directed Design) technology follows the natural biomechanics of the foot, improving stability and shock absorption.

The Vibram® Extended sole ensures reliable traction on variable surfaces.

Ideal for:

- Dynamic operational activities
- Urban and mixed use
- Operators who require greater ankle freedom
