TACTICAL ACCESSORIES

HIGHLANDER - CAMP CUP

CODE: HL-CP289 AG

BRAND: HIGHLANDER

Stainless steel camping mug designed to provide durability, practicality, and reliability in outdoor, survival, and backpacking environments.

Food-grade stainless steel construction

Made from high-quality food-grade stainless steel, it ensures excellent resistance to rust, corrosion, and long-term wear.

Lightweight and practical

Its compact and lightweight design makes it easy to carry in a backpack, ideal for field gear.

Versatile use

Suitable for both hot and cold beverages, maintaining high durability even in demanding conditions.

Easy to clean and hygienic

The smooth surface prevents residue buildup, does not retain odors, and allows quick cleaning even in the field.

Reliable and durable, it is an essential item for any outdoor activity.

Weight: 84 grams

WEIGHT (KG): 0.08
