POUCHES AD HOLSTERS

HIGHLANDER - SANCHO TOILETRY BAG

CODE: HL-CS234-RG

BRAND: HIGHLANDER

Designed for one or two operators, this compact system keeps essential gear secure, organized, and instantly accessible in operational environments.

Optimized load capacity

Compact yet spacious design, capable of carrying a wide range of equipment without sacrificing organization or accessibility.

Quick deployment hanging system

Concealed, detachable snap hook allows rapid attachment to vehicles, structures, or field fixtures.

Modular internal organization

- Front zip pocket
- Internal transparent PVC zip pocket
- 2 internal mesh pockets
- 2 internal elastic loops for gear retention
- 2 internal slit pockets

Fast access under pressure

Layout designed to minimize search time and maximize operational efficiency.

Compact, functional, and reliable: an essential tool to maintain control and organization in any mission.
