## TACTICAL ACCESSORIES

### DART ALU PEG 5 PACK ALUMINIUM GREY

**CODE: HL-CS244 AG**

**BRAND: HIGHLANDER**

#### **Dart Aluminum Tent Pegs - Lightweight and High Strength**

Dart aluminum tent pegs are designed to provide excellent holding power on dry or hard ground. Made from **7075 aluminum**, they offer the perfect balance of strength and low weight, withstanding strong winds and extended outdoor use.

Their **narrow dart-shaped design** makes insertion into tough terrain easier without bending.

#### **Features:**

- Constructed from 7075 aluminum
- Dart-style design for easier ground penetration
- High-visibility contrast cord for quick retrieval
- Size: 6" / 16 cm - 5 mm diameter
- Ultra-lightweight and high-strength design

Weight: 55 grams

**WEIGHT (KG): 0.06**
