## TACTICAL ACCESSORIES

### HIGHLANDER - DURO INSULATED FOOD FLASK 1L

**CODE: HL-FLA116 AG**

**BRAND: HIGHLANDER**

1-liter insulated flask designed to provide autonomy, durability, and versatility in outdoor, trekking, and operational environments. Ideal for carrying food and beverages while maintaining temperature over time.

#### **Double-wall thermal insulation**

Keeps food and drinks hot or cold for extended periods, ensuring reliable performance in any condition.

#### **Multi-purpose lid**

Screw-on lid that can be used as a bowl, ideal for consuming hot meals directly in the field.

#### **Wide neck design**

Large opening allows easy filling, cleaning, and use with both solid and liquid food.

#### **Easy transport**

Equipped with a carrying strap for secure and convenient transport on the move.

#### **Leak-proof closure**

Sealed screw cap ensures maximum safety during transport inside a backpack.

#### **Technical specifications**

- Capacity: 1 L
- BPA-free construction
- Double-wall insulation
- Multi-purpose screw lid

Rugged and reliable, it is an essential solution for managing food and hydration in the field.

Weight: 581 grams

**WEIGHT (KG): 0.58**
