HIGHLANDER - WATERPROOF NOTEBOOK

CODE: HL-MA070

BRAND: HIGHLANDER

When the mission doesn't wait and weather conditions turn extreme, every piece of information must remain accessible and readable. The Waterproof Paper Notebook is designed to ensure operational continuity even under heavy rain.

Reliable writing in all conditions

Made with waterproof paper and PVC protection, it keeps notes legible even in rain, humidity, and direct water exposure.

Compact and field-ready

Lightweight, pocket-sized design, easy to carry in a pocket or backpack, ideal for field use.

Essential field tool

Perfect for recording orders, coordinates, operational data, and critical information in complex scenarios.

Discreet yet essential, it is a reliable ally for operators working in harsh environments who require uninterrupted information flow.
