## TACTICAL ACCESSORIES

### HIGHLANDER - XL TARP SHELTER

**CODE: HL-MA125 OD**

**BRAND: HIGHLANDER**

The XL Tarp Shelter is designed to provide versatile and reliable coverage in outdoor, bushcraft, and operational environments. Suitable for multiple users, it ensures effective protection and rapid field setup.

#### **Multi-purpose configuration**

Can be used as a sleeping shelter, groundsheet, workspace cover, or as a tarp for two hammocks, adapting to different operational needs.

#### **Waterproof protection**

Durable PU coating with a 2000 mm hydrostatic head, ensuring reliable protection from rain and moisture.

#### **Reinforced construction**

Taped seams prevent water ingress and enhance long-term durability.

#### **Secure anchoring**

Double stitched loops provide increased stability and multiple setup options.

Reliable, modular, and durable, it is an essential solution for field shelter management.

Weight: 650 grams

**WEIGHT (KG): 0.65**
