SLEEPING BAGS AND ACCESSORIES

HIGHLANDER SLEEPING BAG FLAME 150 OD GREEN

CODE: HL-SB242

BRAND: HIGHLANDER

The Spark 150 is a lightweight and durable sleeping bag for camping. Filled with 150 g/m² spiral hollow fiber, a lightweight insulation that weighs only 1.1 kg and can be stored in its own bag for easy travel. The outer fabric is Rip-stop® that protects it from rips and scratches; equipped with an extra durable boot liner for sleeping with your boots on without damaging the sack. For extreme temperatures, the Spark can be combined with the Flame, using a simple hook and loop system, to create a 4-season sleeping bag.
