SLEEPING BAGS AND ACCESSORIES

HIGHLANDER SLEEPING BAG FLAME 250 OD GREEN

CODE: HL-SB243

BRAND: HIGHLANDER

Sleeping outdoors requires total reliability.

The Phoenix Ember 250 is a lightweight tactical sleeping bag, ready to insulate you from the cold down to -3°C without adding unnecessary weight.

The 250gsm spiral hollow fibre synthetic padding maintains warmth and comfort, while the ripstop exterior and reinforced boot liner protect against abrasion and wear, even if you sleep with your boots on.

Compact to carry, with an internal phone pocket, it is the ideal equipment for operational nights or field missions: durable, practical and ready to protect those who never stop.
