SLEEPING BAGS AND ACCESSORIES

HIGHLANDER SLEEPING BAG FLAME 400 OD GREEN

CODE: HL-SB244

BRAND: HIGHLANDER

The Phoenix Flame 400 is a durable and highly insulating sleeping bag for camping. Filled with double layers of 200 g/m² spiral hollow fiber, lightweight insulation that can be stowed in its own bag for easy travel. The outer fabric is Rip-stop® that protects it from rips and scratches; equipped with an extra durable boot liner for sleeping with boots on without damaging the sack. In extreme cold, the Phoenix Flame can be combined with the Spark, using a simple hook and loop system, to create a 4-season sleeping bag for sub-zero nights.
