TACTICAL ACCESSORIES

HIGHLANDER - KIP MAT SELF INFLATE

CODE: HL-SM126-OG

BRAND: HIGHLANDER

The Kip Mat is designed to provide insulation, comfort, and fast deployment in the field, keeping you off the cold, hard ground.

Effective thermal insulation

3 cm foam layer raises you from the ground and reduces heat loss. R-Value 3.2, suitable for three-season use.

Self-inflating system

Simply open the valve and let it inflate, saving time during camp setup.

Adjustable comfort

Easy to inflate or deflate to fine-tune firmness and comfort.

Dual-layer valve system

- Layer 1: one-way air intake
- Layer 2: rapid deflation

Lightweight and compact

Weights only 960 g, easy to carry without adding bulk to your gear.

Packable design

Rolls up and fits into the included stuff sack for efficient storage.

Easy maintenance

Sponge clean only, for quick field care.

Reliable, compact, and mission-ready, it ensures proper rest and recovery in any outdoor scenario.

Weight: 960 grams

WEIGHT (KG): 0.96
