TACTICAL GLOVES

MECHANIX FINGERLESS FULL GLOVES COYOTE TAN

CODE: MX-MFL-72 CT

BRAND: MECHANIX WEAR

The M-Pact® Fingerless Coyote tactical glove is designed to protect hands from impact and abrasion injuries in the field without compromising tactile control.

Anatomically designed Thermoplastic Rubber (TPR) protects the back of the hand from impact, small cuts and abrasions without hindrance.

The palm is reinforced with durable Armortex® and padded with XRD® open-cell foam to absorb shock and vibration.

When you need the control of bare hands without sacrificing protection, reach for the M-Pact® Fingerless.

SIZE: M , L , XL

WEIGHT: 0.15 KG
