## TACTICAL GLOVES

### MECHANIX M-PACT GLOVES BLACK/BLACK

**CODE: MX-MPT-55 B**

**BRAND: MECHANIX WEAR**

The M-Pact® gloves provide advanced impact protection and durability for high-stakes missions. Featuring EN 388-rated Thermoplastic Rubber (TPR) knuckle protection, these gloves shield against blunt forces without sacrificing flexibility or control. The AirHammer™ palm padding wraps around the side and heel of the hand, encasing 2mm D3O® to dissipate high-impact energy and reduce fatigue. Abrasion-resistant Ripstop fabric protects the back of the hand while repelling water and resisting snags. With a touchscreen-capable synthetic leather palm, reinforced grip zones, and an extended hook-and-loop wrist closure, the M-Pact® is built to perform in the field.

Features:

- New knuckle and finger TPR design improves flexibility and dexterity without compromising protection.
- Welded TPR knuckle design integrates a Lock Ring™ pattern around the thumb increasing durability in a high wear area and without the need for vulnerable stitching.
- Extended hook and loop wrist closure design provides a secure fit.
- Water repellent and abrasion resistant Ripstop material lines the back of the hand reducing potential snagging while working in confined spaces.
- Touchscreen capable 0.8mm synthetic leather palm.
- Reinforced index finger and thumb increases durability while the ribbed stamp pattern increase grip.
- Grip panel at the base of the fingers improves grip and durability while using any tool.
- 2mm D3O® impact and vibration dissipating palm padding is encased by double-stitched grip material.
- AirHammer™ palm padding design wraps around the outside of the hand creating a functional and protective surface.
- Machine washable.
