UYN MAN 2IN DEFENDER HIGH SOCKS

CODE: UYN-S100303

BRAND: UYN

Designed for those seeking performance and comfort, the **Cool Air Flow** technical socks combine innovation and functionality to tackle even the most demanding challenges. Perfect for sports and outdoor activities, they offer protection, support, and optimal ventilation.

Key Features:

- **Cool Air Flow:** The 3D micro-channel structure promotes constant airflow, keeping your feet dry and at a comfortable temperature even during prolonged efforts.
- **Anti-Impactor:** The 3D front mesh absorbs shocks while ensuring effective ventilation, preventing heat and moisture buildup.
- **Target Compression Bandage:** The asymmetric double bandage provides targeted support, enhancing ankle stability and ensuring excellent breathability.
- **Preshock Shield:** Advanced protection for the Achilles tendon with a 3D mesh structure that absorbs impacts, reducing the risk of stress and injury.
- **Ergologic Footbed:** The anatomical footbed is designed to adapt to athletic movements and pressure, ensuring long-lasting comfort and support.

These socks are the ideal choice for anyone looking for a reliable, technologically advanced product designed to deliver high-level performance in any situation.
