## MADE IN ITALY CLOTHING

### UYN MAN EVOLUTION XTREME COMFORT UW SHIRT LG\_SL.

**CODE: UYN-U100362**

**BRAND: UYN**

Designed to deliver top performance, Hypermotion technology is at the core of a technical apparel line that combines comfort, freedom of movement, and thermal protection—perfect for any sport or outdoor activity.

#### Key Features:

- **Hypermotion:** Exclusive seamless shoulder construction ensures maximum freedom of movement and postural support, providing superior comfort during every activity.
- **Coolvent:** The channeled inner surface promotes constant ventilation, quickly absorbing sweat and keeping the skin fresh and dry, even during intense effort.
- **Drylight:** Strategically placed ultra-absorbent and highly breathable zones wick away moisture from critical areas, transporting it outward quickly for prolonged dryness and comfort.
- **Heatmemory:** Insulating air chambers store body heat, protecting against cooling during rest periods or after exercise, keeping muscles warm and ready for optimal performance.
- **Resifit:** Knees and elbows are protected by a 3D chamber system that creates an insulating air layer, reducing stress on these areas during movement.
- **Comfort Fit:** The 3D knitting technology allows garments to perfectly adapt to the body, offering adjustable fit between tight and comfortable without sacrificing functionality.
- **Regular Fit:** The **Evolutyon Xtreme** line is also available in Regular Fit, designed to follow the body's shape without compressing it, ensuring greater freedom of movement and comfort.

Choose apparel with Hypermotion technology to experience every activity with maximum performance, support, and comfort.
