SABER ADVANCED 3 LENSES (SMOKE GREY+CLEAR+LIGHT RUST) WITH OD GREEN FRAME

CODE: WY-SABER308G

BRAND: WILEY X

SABER ADVANCED Overview: SABER ADVANCED is a protective eyewear model from Wiley X, known for its functionality and durability in a semi-rimless design. It features adjustable telescoping temples and a 360° wire-core nose piece for a custom fit, ensuring complete eye protection and compatibility with NVG. You can choose between temples or an elastic strap based on your activity.

Lens Options:

1. Grey Shield:

- Absorbs all colors equally, preserving true color perception.
- Ideal for bright light conditions with maximum glare reduction.
- 100% UVA/UVB protection.

2. Clear Shield:

- Provides maximum light transmission for accurate color values.
- Suitable for hazy, overcast, dusk/dawn conditions, and indoor use.
- 100% UVA/UVB protection.

3. Light Rust Shield:

- Filters out blue light, reducing glare and haze.
- Enhances contrast in medium to low light conditions.
- 100% UVA/UVB protection.

Features:

- Adjustable nose piece
- Adjustable telescoping temples
- NVG compatibility
- SABER ADVANCED elastic strap
- Prescription lenses can be added using a PTX insert through a Wiley X partner optician.

With SABER ADVANCED, you are guaranteed comfort and versatility for any activity without compromising on quality.
